Sir or Madam:

This paper is submitted in response to the Notice to File Missing Parts of Nonprovisional Application mailed August 17, 2026 in the above-identified application. This response is submitted within the two-month period set forth in the Notice, and no extension of time is required or requested.

I. Certification of Micro Entity Status

The Notice states that this application, having been filed with an indication of micro entity status, fails to meet the requirements for establishing micro entity status because a Certification of Micro Entity Status is missing.

An executed Certification of Micro Entity Status (Gross Income Basis), form PTO/SB/15A, is submitted herewith. Applicant certifies that he qualifies for micro entity status under 37 CFR 1.29(a), and respectfully requests that the fees in this application be assessed at the micro entity rate. As contemplated by the Notice, Applicant further requests that the previously paid amount be applied to the discounted micro entity fees.

II. Inventor's Oath or Declaration

The Notice states that a properly executed inventor's oath or declaration has not been received for inventor Charles Ray Irvine.

An executed Declaration (37 CFR 1.63) for Utility or Design Application Using an Application Data Sheet (37 CFR 1.76), form PTO/AIA/01, is submitted herewith. An Application Data Sheet naming the entire inventive entity was previously filed on July 28, 2026. Charles Ray Irvine is the sole inventor, and no additional declaration is required.

III. Fees

The fees required by the Notice, calculated at the micro entity rate upon establishment of micro entity status, are as follows:

Surcharge — late submission of inventor's oath or declaration	37 CFR 1.16(f)	\$34
Search fee	37 CFR 1.16(k)	\$154
Examination fee	37 CFR 1.16(o)	\$176
Independent claims in excess of three (3 claims)	37 CFR 1.16(h)	\$360
Claims in excess of twenty (8 claims)	37 CFR 1.16(i)	\$320
Subtotal		\$1,044
Less previous unapplied payment amount		(\$1,010)
Balance submitted herewith		\$34

The balance of \$34 is submitted with this response through the USPTO patent electronic filing system.

Applicant does not cancel any claims. The claim fees set forth above are paid in full for the 6 independent claims and 28 total claims presented in the application as filed.

IV. Conclusion

Applicant respectfully submits that this response supplies each item identified in the Notice and places the application in condition for further processing. If any matter remains outstanding, or if any additional fee is required, Applicant respectfully requests notification at the telephone number below.

Respectfully submitted,

/Charles Ray Irvine/
